**Kidney Trouble.**

Kidney trouble preys upon the mind, dis-  
 courages and lessens ambition; beauty, vigor  
 and cheerfulness soon  
 disappear when the kid-  
 neys are out of order  
 or diseased.

Kidney trouble has  
 become so prevalent  
 that it is not uncommon  
 for a child to be born  
 afflicted with weak kid-  
 neys. If the child urin-  
 ates too often, if the  
 urine scalds the flesh or if, when the child  
 reaches an age when it should be able to  
 control the passage, it is yet afflicted with  
 bed-wetting, depend upon it, the cause of  
 the difficulty is kidney trouble, and the first  
 step should be towards the treatment of  
 these important organs. This unpleasant  
 trouble is due to a diseased condition of the  
 kidneys and bladder and not to a habit as  
 most people suppose.

Women as well as men are made mis-  
 erable with kidney and bladder trouble,  
 and both need the same great remedy.  
 The mild and the immediate effect of  
**Swamp-Root** is soon realized. It is sold  
 by druggists, in fifty-  
 cent and one dollar  
 sizes. You may have a  
 sample bottle by mail  
 free, also pamphlet tel-  
 ling all about it, including many of the  
 thousands of testimonial letters received  
 from sufferers cured. In writing Dr. Kilmer

 mention this paper.

# **NEW X-RAY MACHINE**

Drs. Boal & Dillon inform us they  
 have recently added to their already  
 well equipped office a static electric  
 machine and x-ray apparatus of the  
 most improved type. The machine is  
 neither a toy or a pocket kodak, as it is  
 6½ feet high, 5 feet long and 3 feet  
 wide. It contains 16 revolving plates,  
 and cost them the snug little sum of  
 \$450.

Dr. Boal recently returned from  
 Chicago where he was taking a course  
 of lectures in one of the post-graduate  
 schools on electro-therapeutics, and they  
 are now prepared to give electric treat-  
 ment or take as good a photograph of  
 the interior of the body as can be ob-  
 tained in any of the larger cities.—

 buying a bottle of it for his wife, who  
 for eight weeks had suffered with the  
 most terrible pains in her back and  
 could get no relief. He says: "After  
 using the Pain Balm for a few days my  
 wife said to me, 'I feel as though born  
 anew,' and before using the entire con-  
 tents of the bottle the unbearable pains  
 had entirely vanished and she could  
 again take up her household duties." He  
 is very thankful and hopes that all  
 suffering likewise will hear of her  
 wonderful recovery. This valuable
